CATALOGUE 2019

explore discover learn enjoy

Welcome to Brainstorm, where we share our love of learning and our passion for curiosity through fun and engaging toys for children of all ages.

Brainstorm has been in business for 24 years and is owned by three directors who work full time for the company. With our excellent UK-based sales and logistics team, we distribute our items all over the world, either from our UK warehouse or direct from the Far East.

This trade catalogue is packed with exciting products, so make sure you look out for the  symbol that highlights our **new items**. This year we have added to our established and successful brands Brainstorm Toys, The Original Glowstars Company and StikBot, plus we are pleased to introduce the eco-friendly, super-cute collectable Eegy. Our **TV advertised** lines are highlighted by this  symbol.

2019 marks the 50th Anniversary of the first Moon Landing, so look out for the  symbol highlighting our top-selling space products.

Please take time to visit our new-look website **www.brainstormltd.co.uk** for news, extended product content, additional images and information on where to find us at trade events. You can also order online.

Catalogue designed and produced by Conrad Davies Creative Solutions.

Have you ever wondered how a shark sees the world?

SEE THE WORLD THROUGH OTHERS' EYES

Learn about the science of sight with this funky optical kit. What does the world look like if you are a baby? Or a T rex? How does a cuttlefish see it's underwater world? Just pop on these cool glasses and you will see the world through others' eyes!

22 interchangeable lenses allow you to see in more than 17 different ways - or create your own!

Informative leaflet has fascinating information about seeing like a rat, eagle, bee and more.
